Agenda Item

I.

Presenter: All present

➤ Review Website Assignments

- Committee members briefly discussed website research findings. Members agree that we should initially concentrate intensively on one or two of the multiple sources for credit to better understand credit processes involved. Because veterans are the highest concentration of eligible students for credit at BCCC Judy Jennette suggested we concentrate on this population first.

II.

Presenter: Debra Baker

- Identified goals for intensive CPL research
- GOAL 1: Set up an information sharing session with current Vice-President and former Dean of Student Services and the current Vice-President of Student Services to review current processes for awarding credit.
- GOAL 2: Contact like-sized schools in our area to examine their processes for awarding credit. Kimberly Jackson has a list of these schools and she will e-mail list to the other committee members.
- GOAL 3: Re-examine BCCC current processes for students to be awarded credit. Kimberly Jackson will contact appropriate student services personnel for detailed information, including recent data on students that were awarded credit for prior learning.
- GOAL 4: Committee will seek a BCCC resource person to advise committee.
- GOAL 5: Continue to explore opportunities for work experience credit.

III.

Presenter: Sue Gurley

- MOOCs update
- Advised committee that ACE has evaluated and recognized 5 MOOCs that ACE will accept for credit. Members briefly discussed MOOC credit. Future of MOOCs as a credit source remains uncertain. Sue Gurley will continue to follow MOOC information and advise committee on significant events..

IV.

Presenter: Debra Baker

- Review SACS Requirements for CPL
- Committee members will continue review of SACS Standards regarding CPL.
