The Evaluation Systems Committee Chair, Dorie Richter, called the meeting to order at 3:30 p.m. New members (Dixon Boyles, Arts and Sciences Division Chairperson and Rebecca Spain, student representative) and returning members were welcomed. The Committee discussed the following items:

I. <u>Graduate Follow-up and Non-returning Student</u> - Survey Instruments

Committee Members were asked to approve the <u>Graduate Follow-up Survey</u> and the <u>Non-returning Student Survey</u>. Dorie explained that the majority of questions on the <u>Graduate Follow-up Survey</u> and the <u>Non-returning Student Survey</u> were those questions required by NCCCS accountability standards. In addition, three of the questions on the <u>Graduate Follow-up Survey</u> (#6, #7, and #17) were used to gather data for the Title III Grant. Kay Walker Hauser suggested changing the phrase "state-of-the-art" in question #17 of the <u>Graduate Follow-up Survey</u> to another term such as "current." (Kay felt that technology is constantly changing and although we may come close to -of-the-art" we may never actually ever get to that level. In addition, the phrase "state-of-the-art" may mean one thing to one person and something else to another depending on the level of computer awareness and competence of the individual.) Dorie suggested adding the word "current" or a word with a similar meaning to read as "state-of-the-art/current." The Committee finally decided to leave the question *as is* since the wording matches the wording in the Title III grant.

A motion was made by Kay Walker Hauser to accept the <u>Graduate Follow-up Survey</u> as presented; Penny Sermons seconded the motion. With no further discussion, the motion carried.

Three changes were made to the Non-Returning Student Survey. They were:

#4: Change "reenroll" to "enroll."

#21: Add to read "___Provide child care assistance."

#21: Delete "more" to read "___Provide personal counseling."

A motion was made by Wesley Beddard to accept the <u>Non-Returning Student Survey</u> as revised; Jim Matson seconded the motion. With no further discussion, the motion carried.
