Mandy Jones called the meeting to order. Minutes from the previous meeting, November 13, 1998 were reviewed since this committee has not met in two years as recommended by the committee.

Mandy Jones told the committee that though Myrtle Carowan was unable to attend the meeting, she had reviewed the present Mission Statement and Goals and made no suggestions for change at this time. After a brief discussion, all members agreed that the Mission Statement and Goals accurately reflect the purpose of the College. A motion was made by Tim Mattimoe to accept the Mission Statement and Goals as written. The motion was seconded by Bob Tyndall. The motion carried with an unanimous vote.

Members were asked if they had any other business to discuss. There was none. Dorie Richter made a motion to adjourn the meeting; Penny Sermons seconded the motion. The motion carried and the meeting was adjourned at 12:15 pm.
