

Curriculum Committee

Minutes July 9, 2007

The Curriculum Committee met on July 9, 2007, at 2:00 p.m. in the Conference Room of Building 1. Wesley Beddard, Gregg Allinson, Donna Dunn, Rhunell Boyd, Riley Mills, Clay Carter, Harold Smith, and Dixon Boyles were present. Chairman Wesley Beddard called the meeting to order and addressed the agenda as follows.

- I. Minutes for the April 12, 2007, meeting were reviewed.

For clarification purposes (2008-2010) was inserted at the end of the sentence under III. - BCCC Catalog.

A motion was made by Dixon Boyles, seconded by Donna Dunn, to approve the April 12, 2007, minutes with change as noted. Motion carried.

- II. New Business

- A. Transfer Ready Diploma

Wesley Beddard proposed approving a local Transfer Ready Diploma under the Associate in Arts program and the Associate in Science program with Fall 2007 as the effective date. Dixon Boyles made a motion to approve the diplomas in both the Associate in Arts and Associate in Science programs with the title being Transfer Core Diploma. Clay Carter seconded the motion. The motion carried.

- B. Arts and Sciences

Dixon Boyles made a motion to adopt ART 114-Art History Survey I and ART 115-Art History Survey II. This will expand offerings in humanities and will allow for greater flexibility in scheduling. The effective date will be Spring 2008. Gregg Allinson seconded the motion. The motion carried.

- C. Industrial Technology
Due to a recent Curriculum Improvement Project (CIP) for the Electrical Engineering Technology and Electronic Engineering Technology curriculum, several changes have been made to both curriculums. Riley Mills made a motion to accept the changes (as shown in red on the following attachment) becoming effective immediately. Harold Smith seconded the motion. The motion carried.

- D. Agricultural Biotechnology
In seeking an endorsement of the curriculum committee to proceed with the application process of the Agricultural Biotechnology program, Wesley Beddard shared information pertaining to the new program. Startup may possibly be Spring Semester 2008, but most likely will begin Fall Semester 2008. Gregg Allinson made a motion to approve the curriculum application process for the Agricultural Biotechnology program. Dixon Boyles seconded the motion. The motion carried.

- E. The committee discussed the Datatel prerequisite checker and how it affected early fall registration.

Minutes of this meeting will be forwarded to members via email for electronic approval.

There being no further business, the meeting adjourned at 3:46 p.m.

Bebe Major, Recording Secretary
