- Sandy McFadden asked the group to consider Higher Heights as a suggestion for a Christmas project for the Association. Higher Heights is an agency demonstrating an effort to address adolescent pregnancy in Beaufort County.

It was decided that we were already obligated to the Zion Shelter and that perhaps next year we would consider Higher Heights.

- Sandy McFadden will chair the canned food drive again this year which is already underway. Sandy stated each building will need a representative to oversee and collect the goods.

Sandy will send out a PDF file to put on the collection boxes in each building. Same as last year, the buildings will put up displays with the canned goods and compete for most canned goods and other items collected.

Sandy also reported that JobLink was thinking of doing a display in their building. Sandy will also visit the Zion Shelter to see if they need other things such as socks, sweat shirts, tee shirts, etc.

- Jo Linda reported that she had not heard back from the Salvation Army about the bell ringing activity at this time. When she does hear, she will put out an e-mail with time blocks so that members and others can sign up to ring the bell. The bell ringing activity will be held in front of Belk's on 15th Street.
